If you have the bandwidth, I think it would be better for the request to come from EPA. Thanks!

Caitlin: do you have any preference on whether we or the Corps reach out to Pierce County or WDFW for documents?
Thanks!

Hi Charissa,

Based on my search of our administrative record and my emails it does not look like Electron provided those documents to the Corps. Jacalen, please correct me if I am wrong. Electron submitted a lot of material directly to Pierce County or WDFW. If you do not have their contact info I can check with them to see if they have those documents.

Subject: [Non-DoD Source] Document Request - thank you

Good morning Jenae: hope you had an excellent weekend? The EPA is seeking the two additional documents: 1) Cherry, D.S. 2017. *Scour Analysis Tech Memo*. Electron Hydro LLC, Orting, WA., and 2) Cherry, D.S. 2017. *Hydraulic Analysis Tech Memo*. Electron Hydro LLC, Orting, WA.

I am inquiring if: 1) you may have these documents, and 2) if so, would you be willing to share them with EPA?

Thank you.
